

This group supports students interested in making a change in both our local and global communities. We meet regularly and discuss ways in which we can continue to support our community through action. Over time we have supported many causes such as; Canfar, Spread the Net, Free the Children, Innisfil Food Bank, Christmas for Kids Innisfil, Big Brothers and Big Sisters, and OSPCA. We support campaigns within in our school and continue to find ways to make a difference and a change!
