### **Feedback, recovery and improvement days**

At the end of each semester, all secondary schools will run feedback, recovery, and improvement days for students. Culminating assessments such as portfolios, essays, examinations, and interviews will take place during instructional days and will be returned to students with feedback.

The last day of regular instruction for students in Semester Two is Friday, June 21. The period from Monday, June 24 to Wednesday, June 26 is reserved for students to receive feedback from an assessment, to rescue or recover a credit, or to improve on an area of missed expectations. Teachers and support staff will communicate with students who will benefit most from attending this opportunity; however, all students will be invited to attend. There will be no new instruction these days. Feedback, recovery, and improvement days are an opportunity for students to work closely with their teacher if they require feedback, recovery, or an opportunity to improve on an area of missed expectations.

## **Mental health promotion strategy of the month - *Just Notice***

Well-being is a strategic priority in the Simcoe County District School Board, and our mental health and well-being department provides monthly strategies to support student and family well-being.

This month's strategy is *Just Notice*. This strategy helps children and youth develop the skills to ground themselves. Grounding is a way to focus your attention to the sensations you are experiencing in this moment. It is good to practice at any time but especially helpful when emotions or thoughts are stressful.

To practice *Just Notice* at home, together with your child, model this grounding practice by verbally sharing the following:

- Notice five things you can see.
- Notice four things you can hear.
- Notice three things you can feel/touch.
- Notice two things you can smell.
- Notice one thing you can taste.

This exercise can be done inside or outside. Consider pairing *Just Notice* with this forest visualization video to help guide and ignite their five senses: [www.youtube.com/watch?v=s0PO2xo7I9g&t=9s](http://www.youtube.com/watch?v=s0PO2xo7I9g&t=9s).

See the Student Mental Health Ontario (SMHO) elementary ([smho-smso.ca/online-resources/sel-posters/](http://smho-smso.ca/online-resources/sel-posters/)) and secondary ([smho-smso.ca/online-resources/sel-posters-for-secondary/](http://smho-smso.ca/online-resources/sel-posters-for-secondary/)) social-emotional learning poster series for *Just Notice* that can be used at home.

Follow along the Mental Health and Well-being social media accounts (@SCDSB\_MHWP) to see how well-being is being supported in our schools.

## **Celebrating poetry**

April is poetry month, a chance for students to celebrate a love of language through an appreciation of poetry. Students of all ages enjoy the lyrical, rhythmic qualities of poetry making it a wonderful choice for at home reading. Poems provide an excellent opportunity for students to practice reading aloud, developing fluency and expression. For ideas and resources please visit the resources for families page on the SCDSB website:

[www.scdsb.on.ca/elementary/parent/resources\\_for\\_families](http://www.scdsb.on.ca/elementary/parent/resources_for_families).

## **April cyber awareness topic: Safe gaming and the metaverse**

In today's digital landscape, safe gaming practices and understanding the metaverse are crucial for families to navigate the digital world securely. Understanding safe gaming practices protects personal information, while metaverse awareness helps prevent identity risks. Parents/guardians play a vital role in guiding their children's online experiences. Access the cyber awareness tip sheet for April to stay informed about this month's theme and explore additional resources: [https://ecno.org/wp-content/uploads/2023/09/ECNO-CAM-Calendar-23-Aug3023\\_SafeGamingMetaverse.pdf](https://ecno.org/wp-content/uploads/2023/09/ECNO-CAM-Calendar-23-Aug3023_SafeGamingMetaverse.pdf). Stay informed to help provide a safer online gaming environment for your children!

## Your child's immunization records

The Ontario Immunization of School Pupils Act (ISPA) requires the health unit to have up to date immunization records for all students attending school. According to the ISPA (2014), students currently in secondary school are required to be vaccinated against:

1. Tetanus, Diphtheria, Polio, and Pertussis (whooping cough, booster required between 14-16 years old)
2. Measles, Mumps, and Rubella (must have two doses after first birthday)
3. Meningococcal Disease (must have one dose after first birthday and Men-C-ACYW in Grade 7)

The health unit **does not** receive immunization information directly from doctor's offices. Please contact the health unit each time your child receives a vaccine from their health care provider.

If your child's immunization record on file with the health unit is not up to date, they may be suspended from school.

What you can do:

- Check your child's yellow immunization card.
- Contact your child's healthcare provider to obtain records, or to get missing vaccinations.
- Visit [www.simcoemuskokahealth.org/Topics/Immunization/Report-an-immunization](http://www.simcoemuskokahealth.org/Topics/Immunization/Report-an-immunization) to enter the complete record, or fax a completed record to 705-726-3962.
